

# Aladdin Supplies and Extra Parts

The many improvements made in the Aladdin from time to time, have necessitated new designs of certain parts that could not always be made interchangeable in all the different models. Therefore, to make it convenient for you to order supplies and extra parts for your customers, we show herein parts that fit the different models of the Aladdin.

In ordering, always specify the model of the Aladdin, as well as the finish. The model number appears on the button of wick ratchet of Nos. 5, 6, 7, 8, 9, 10, 11, 12 and Model A and B. For extra parts for Aladdin lamps of models previous to Model 5, send old part in for duplication, if you cannot determine what to order from information given.

## SPECIAL NOTICE

It is our desire to have every user secure the maximum of service from their Aladdin lamps, and we earnestly solicit the dealer's co-operation to this end. Occasionally Aladdin users, when buying supplies from the dealer will ask the dealer for some information pertaining to the care and operation of the Aladdin, and in case you cannot instruct

them properly, we would ask that you kindly send us the customer's name and address and the nature of the inquiry so that we may write them. Or, if you prefer, suggest to your customers that they themselves write us, when we will be very pleased to see that they receive all information necessary. Your co-operation in this respect will be

of profit to you, for the better pleased Aladdin users are with their lamps, the more and longer they will use them and the greater will be the amount of your supply business. Satisfied Aladdin users build business for both you and ourselves so it is to our mutual advantage to keep them satisfied.
