Just the lamp to have in case of power failure or other **EMERGENCIES**.

This **EMERGENCY LAMP** is very attractive and practical, not a toy or gadget.

No Home should be without one of these **EMERGENCY LAMPS**.

Carton Contains: 1 Complete **EMERGENCY KEROSENE LAMP**, as pictured, also storage containers for kerosene. This container should be filled at your nearby service station with kerosene and packed back in the carton with the lamp. The container of kerosene will operate the **EMERGENCY LAMP** for 10 consecutive hours.

Packed in small handy storage carton.

NOTE: The Farmor Company has been producing Kerosene Lamps for the last 15 years. Our lamps are today being sold all over the world.
