

# A return to the warm glow of the past...

THE CHARM AND CRAFTSMANSHIP OF THE KEROSENE ERA ARE AGAIN AVAILABLE IN THIS TRULY UNIQUE AND FUNCTIONAL GLEAMING BRASS HANGING LAMP.

**Model K-61A**

This limited production, quality kerosene lamp offers the best available materials and workmanship. The oil font, shade holder, smoke-bell, and all fittings are solid brass. The frame is extra-strong 1/4" cold-rolled steel. All parts are highly polished and lacquered. The lamp features a fine white cased-glass shade.

Offered with the Aladdin #23 brass burner, the lamp will provide 80 to 100 watts of odorless, smokeless light, augmented substantially by the superior light transmitting qualities of the cased glass shade. The lamp may also be ordered with an electric converter.

- Model K-61A** ... Complete lamp as shown with quick-release font holder band, allowing easy removal of oil font, with Aladdin #23 solid brass burner, Lox-on mantle and chimney. Ready to light. .... **\$149.95**  
Aladdin electric converter ..... **\$ 12.95**
- Model K-60** ..... Same as Model K-61A, but supplied without oil font, burner, chimney or mantle. For use with any Aladdin or other 6" oil font ..... **\$ 77.20**
- Shade Only** ..... May be used on Aladdin Model #5 & 6 hanging lamps. Part #SK-215 ..... **\$ 29.95**
